

ONE WITH YOU!

Family is one with you,
Through the weather,
Through the darkness,
Through the poverty,
Through the sadness,
We stay together.

Family's love beat everything,
Beats the sadness,
Beats the anger,
Beats the darkness,
Beats the hate,
Love stays forever.

Family are always there,
Brothers and Sisters,
Uncles and aunts,
Your mum and your dad,
Grandparents and nephews,
Always there for you.
