

Phonics Play

www.phonicsplay.co.uk

Phonics play is a beneficial website for your child to use to help with phonics and reading. The website is currently allowing you to sign up for free. Please follow the instructions below on how to access the website. You will need 'Adobe Flash' downloaded on your laptop/tablet.

Type www.phonicsplay.co.uk into your search browser. This screen will appear. Please click on 'Free Resources'.

Choose a phase from the side below. It does not matter which one you decided to choose as you can choose the sounds you want to focus on when you play each game.

Choose the game you would like to play.

The website will ask you to allow Adobe flash. This is free to download if needed. Once downloaded you can play on the games.
