**Ash Wednesday 18<sup>th</sup> February Mass at 10.15am** - when we begin our Lenten journey together. During these 40 days we are remembering the 40 days that Jesus spent in the desert, the temptations he experienced there and his time of prayer and fasting. Lent is a time for each of us to become more deeply aware of our faith and a time to deepen that faith by practical actions. During this penitential season, as we journey with Christ so we embrace a period of penance, prayer and works of charity, as we make our way with Christ towards Holy Week and then journey onwards towards the great joy of the Resurrection and all that Easter brings. During Lent we try to choose ways once again to help us to walk more fully in the footsteps of Christ as we seek to recommit ourselves to living as He lived and as we seek to love God and our brothers and sisters more deeply. We do this through the three ancient remedies of Fasting, Almsgiving and Penance. Ancient remedies which can be life enhancing and that can help us to live more authentically our Christian vocation.
