

FAMILY

Family is what brings us together,
The connection ever so strong,
The comfort you find and seek for,
with such a loving bond.

The trust you have built,
the loyalty and the respect,
what a welcoming place to just be
YOURSELF!

Through ups and downs, highs and
lows,
caring for each other not enemies or foes.
In sickness or health, we're there for
each other,
mothers and fathers, sisters and brothers.

Happy and sad, kindness or anger,
together forever obstacles we meander.
Loved and laughed,
on the same path.

Hermil

Life with you so impeccable,
and life without so dreadful.

Not scared or afraid,
at the end of the day.

FAMILY IS WHAT BRINGS
US TOGETHER !!!
